

Flexible and interchangeable job slots help increase your job's visibility.

The Job Slot allows you to rotate jobs, edit job descriptions, and refresh jobs. These attributes offer you significant flexibility and increase exposure for multiple jobs online.

JOB SLOT BENEFITS

Visibility for your job listings: Refresh the date on your job postings and keep your job descriptions relevant for maximum exposure to candidates.

Flexible & reusable listings: With the job slot model, you can rotate your job listings in and out depending on your needs. Make the most of your recruitment budget with this flexible product.

Increased value: With job slots, you also receive baseline reporting, questionnaires, and candidate management tools such as letters, folders, and distribution capabilities. Each is designed to save you valuable time and money.

AFFORDABILITY

Custom purchasing options: We are experts in online recruiting and have the packages to fit your need and budget.

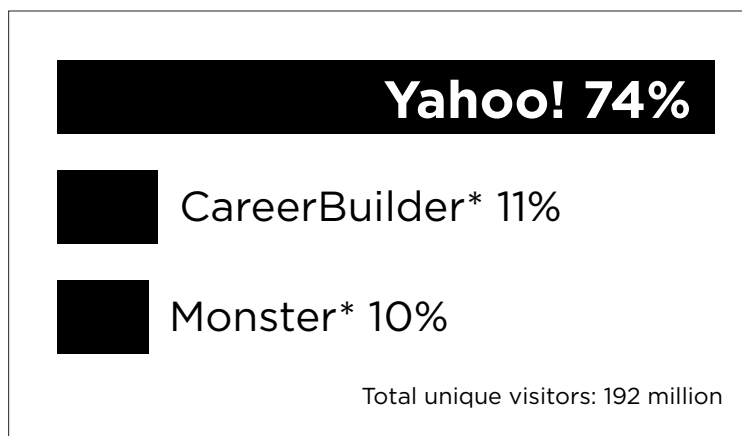

YAHOO! HOTJOBS ADVANTAGE

Reach of the Yahoo! Network: To help you find your next perfect candidate, let the recruiting power of the Yahoo! Network assist you. Yahoo! reached more than 80% of all online users who planned to change jobs in the next 12 months.¹

Additional exposure: We have formed partnerships with nearly 600 newspapers to increase your local exposure, drive qualified candidates to your jobs, and increase the number of qualified resumes you receive.
